

Become An Indiana Master Naturalist - 2019

Interested and intrigued by nature and the environment? Want to learn more about Indiana's natural resources and share this information with others?

The Indiana Master Naturalist Program is an educational/volunteer program developed by the Indiana Department of Natural Resources to provide citizens with hands-on opportunities to learn about our state's natural features and resources.

The purpose of the program is to:

- ❖ Bring together natural resource specialists with adult learners (18 years and older) to foster an understanding of Indiana's plants, water, soils, and wildlife, and promote natural resource volunteer service within the State of Indiana.
- ❖ Provide an educational opportunity for course participants by volunteering with a local agency or organization involved in natural resource management.
- ❖ In Allen County Indiana, this program is sponsored by Fox Island Alliance and Allen County Parks.

Program Information:

The sessions will be held on Tuesday evenings from 6 to 9:30 pm and on Saturday mornings from 8:30 am to 12:30 pm either at Metea County Park or Fox Island County Park or the ERC @ Purdue (Environmental Resources Center @ 2101 E. Coliseum Blvd, Fort Wayne, IN 46805. (behind the Holiday Inn) with one exception - Fort Wayne Historic Hike on Sunday afternoon.

The sessions begin on Tuesday, February 19th and end on May 19th with the downtown hike.

The **Orientation Meeting** on Tuesday evening, February 19th at Fox Island Park is a required part of the program.

Participants **must** attend at least 10 of the 13 class sessions, complete weekly exams, and accumulate 24 volunteer hours to obtain Indiana Master Naturalist Certification and a pin.

Become An Indiana Master Naturalist - 2019

Class size is limited to 25 applicants. Space is reserved on a **first-come first-served basis.**

Advance registration is due by Friday, February 8th. ** Some sessions will require moderate walking.
