

Allen County Parks Mission

“To establish and manage a permanent park system incorporating conservation, education, outdoor values and nature preservation, and to provide recreational opportunities for the people of Allen County within this structure.”

**Bowman Lake
at Fox Island
County Park**

Allen County Parks are owned by the people of Allen County and operated by the volunteer Allen County Parks and Recreation Board, appointed by area public and elected officials.

Your Allen County Parks are funded by the County of Allen as well as user fees, facility rentals, grants, donations and gifts. Staff salaries are provided by county tax revenues, with **ALL** operating and maintenance expenses supplied by user fees and other sources.

Your support through fees, volunteering and donations is essential to allow continued preservation, expansion and educational use of Allen County Park's lands.

Thank you for supporting your Allen County Parks and Recreation Department. We hope to see you throughout the year as you continue to enjoy the beauty of nature at Fox Island, Metea, Payton and Cooks Landing County Parks.
